

City of Binghamton Parks & Recreation

2013-2014 Women's Adult Basketball Leagues

The Binghamton Parks & Recreation Department is accepting applications for its first Women's Adult Basketball League. A beginning entry fee for this season will be \$250.00 per team. We kept this low to encourage interest and get the league started. We are hoping to host a **Monday Night Women's League** providing we have enough interest. Games will be played at either West Middle School or East Middle School. The league will begin in Mid-November. Application deadline is **Friday, October 18th**.

Jersey/Tee Shirts with numbers on the back are required to play in the league.

I am enclosing vendor information for shirts. Please keep in mind that a week or more may be needed to fill orders.
